

# 7 BORN TO SAVE

Looking far out beyond the city night lights  
To see a lone star, ever so bright  
Different in shape, in size, in colour in height  
Low in the sky, star shine, a pointing sight  
Leading the way to the miracle by birth  
As you get closer, lighting a barn  
Animal shelter, a glow in town  
Shimmering bright light, that warms all around  
Child miracle, beginning, Jesus our Lord  
Wrapped warm and cosy, cradled by Mother Mary

## CHORUS

Jesus Christ born of the Virgin Mary  
A carpenter's trade passed from father to son  
Later, this abandoned for God's holy work  
The Messiah has come, to preach on earth  
Tried and tested and a-live with the fire of God  
Put on the cross for the sins of mankind,  
Died, resurrected the trinity restored,  
our faith to find

Visitors to Mary and Joseph appear  
Three kings, wise old men, from lands a-far  
Bringing gifts in gold, in frankincense in myrrh  
Having followed, the star, for many nights  
Exhausted yet elated, by the new born sight.  
Our baby Jesus, the son of God  
Kept safe by earthly parents  
Confused by events, that are now all in place  
The unfolding circumstance, feared at first  
Rest for the one night, and move on at first light

## CHORUS

Looking for work, parenting and made out-cast  
The wise men gifts now, packed out of sight  
Getting used to the strange situation  
Travelling from town to town, a new home to find  
Bringing up Jesus, a common, a common name,  
His Father the carpenter Joseph passes on his trade  
Early first years, go by so fast  
To preaching, baptising, learning each day  
Seeing God's presence, with his miracles portrayed.

CHORUS (Repeat....our faith to find).
